

activate AGILE

AN AFTERNOON FOR ASPIRING AGILISTS AND THEIR EDUCATORS

Friday 23 June 2017 | Hilton Sydney

MEET TECHIES WORKING IN SYDNEY'S BOSS-LEVEL COMPANIES AT ACTIVATE AGILE!

If you're a student with a desire to strike into a tech career, join us at Activate Agile to learn more about creating amazing software, apps, portals, platforms, and products. How do innovative companies build the technology that you love and use every day? How do they do it fast? And what are they looking for in their team members?

'Agile' is a way of working that helps tech teams and their companies produce better results. You'll find out how Agile multi-disciplinary teams work together to build incredible things, foster a culture of welcoming change, valuing individuals, and learning from customers. *Activate Agile is part of Agile Australia 2017, where 1200 tech professionals from Australia's most innovative companies gather to learn from their peers.*
